- b) Each jumping effort will be marked out of 10 – at the judges discretion.
- c) There is no set penalty for a pole down or run out, but three refusals will result in elimination.
- d) A fall of a horse or rider will result in elimination.
- e) There will be no mark awarded for confirmation or manners, but marks will be awarded for the overall impression at the completion of each round – maximum 20 marks.
- f) In the event of a tie, the overall impression mark will determine final placings. Should there still be an equality of marks, the jumping marks will be taken into consideration – the comparison beginning with fence one and continuing thereafter until a result is achieved.
