SHOW AND SALE OF REGISTERED FELL PONIES

Under the Auspices of the Fell Pony Society

Judging of the three classes of Registered Fell Ponies will commence at 9.30 am

Sale at 11 am

Judge: Ms J Fairburn

		1st	2nd	3rd
Class 1	Registered Fell Pony in Hand (4 years old or over)	£10	£8	£6
Class 2	Registered Fell Pony, youngstock In Hand (1, 2 or 3 years old)	£10	£8	£6
Class 3	Registered Fell Pony Colt or Filly Foal	£10	£8	£6

All ponies must be 'Bona-fide Sold' by auction or the prize money will be withheld.

All prize money to be collected from the Mart Office, after the pony has been sold

The location does not allow for ponies to be shown under saddle. Please ensure that information about broken or newly-broken ponies is included in the catalogue description overleaf.

Section IX (medical treatment) must be present in the passport prior to the sale, a passport is not valid without this page and to transport or sell a pony without a section IX is illegal.

NB this page cannot be added to the passport at the sale.

Microchips will be scanned and checked by the FPS on arrival at the Mart. If a chip cannot be found, the owner of the pony has the option of calling a vet at their own expense - if the vet cannot find the chip but is able to conclusively identify the pony from the markings in it's passport, the pony may be re-chipped and may enter the Sale Ring. Otherwise, the pony may not enter the Sale and will need to be parentage tested to confirm that the passport is correct. If a chip is found which differs from that in the passport, the pony will not be allowed in the Sale Ring and the issue will be investigated. Purchasers are advised to check that the microchip/description of the pony they take away matches the passport.

Passports and completed transfer certificates should be handed in to the FPS Secretary before ponies enter the Sale Ring. The Secretary will be available all day to deal with transfers of ownership and general enquiries - please go to the Sales Stand in the foyer.

The following regulations, introduced by the Animal Health Act 1991, must be observed when selling foals.

Restrictions on the sale of foals ('foal' here means a horse under the age of four months)

- (1) No person shall bring or cause to be brought to a market a foal unless it is at the foot of it's dam.
- (2) No person shall expose for sale separately a foal which has been brought to a market at the foot of it's dam.
- (3) No person shall separate a foal from it's dam while -
 - (a) they are awaiting removal from the market after being exposed for sale; or
 - (b) they are being kept in a market (without being exposed for sale there) pending completion of their inland transit in Great Britain.

Older foals must be correctly weaned before being put forward at the sale - such foals have to be four months old or over. **For the avoidance of doubt, this means that foals born on or after 23rd June 2018 are not eligible.** Foals being sold at foot with their dams must be at least three weeks old.

Only the handler, owner and Mart staff are allowed in the sale ring whilst an animal is being sold.
