**THE FELL PONY SOCIETY**

**Fell Pony Display at Sheepdog Trials World Championships 2011**

These trials were on track at the time of printing, to be held at Lowther on September 15th, 16th, 17th & 18th 2011. Our Society is proud to have been invited to do a display, each day, in the main arena. We planned to show the various activities of the ponies over the last centuries, ending with a short ridden display.

We also arranged a publicity tent and a nice sociable pony to chat up the visitors each day.

This was a golden opportunity for us to show off our versatile breed at a local event. A full report will follow in the Spring Magazine.

## A Fell on Countryfile

Wellbrow Desperate Dan (Danny) became a t.v. star in February when he was ridden by BBC *Countryfile* presenter Matt Baker. In a feature on the Mary Towneley Loop of the Pennine Bridleway, Matt was seen riding Danny on a short section of the trail. En route he met up with Cosima Towneley, daughter of Mary, Lady Towneley whose vision inspired the creation of the Pennine Bridleway. Julie Thompson of Natural England described how the ancient packhorse trails were now being opened for equestrian tourism, and Matt also “bumped into” a mountain biker to show that this is a multi-user right of way. Matt finished his journey at Peers Clough Farm, which offers B&B for horses and riders on the Loop, and is the home of Peers Clough Packhorses.

Peers Clough Packhorses are a team of Fell ponies (Wellbrows Dan, Jake, Jim, Target and Bobby, and Heltondale Duchess) providing trekkers with an experience of moorland riding over ancient ways.

Despite having just been plucked from his winter field, Danny looked smart and eager, and behaved with the utmost patience and professionalism during his day of filming. Matt Baker was very impressed and said Danny felt “rooted in the landscape” and that he would “like to take him home.”

No chance - he’s mine!!

## Highland and Fell Pony Camp 2011

The Highland and Fell Pony Camp is great fun and very good for the ponies and their riders! This was the second annual camp to be held at The Linnels and generally agreed by all to have been a terrific success, which was undoubtedly due to the organisation by Jan and Chris Grant and Sarah Charlton. Jan and Chris started the camps four years ago for the North East area of the Highland Pony Enthusiasts and an invitation to the North East Area Fell Pony Group to join the second one resulted in Sarah Charlton so enjoying herself that the Charlton family offered the use of The Linnels for the following year's camp. An indication of the popularity of the camp is that the 25 places were fully booked within a day of the booking opening.

*Camp* was a bit of a misnomer this year as everyone was fortunate to have a bed in a house, horsebox or caravan - campers had found the previous year that the nights can be rather chilly.

The camp starts with a ride on the Friday evening then there is instruction on Saturday and Sunday morning culminating in a fun competition on Sunday afternoon. The lucky twenty five assembled at The Linnels on the evening of Friday 30th April for the ride, which was split into three groups: a fast

group for those eager for a good gallop across The Linnels' lovely fields, a slow group for young green ponies and those not used to group rides and a middle group happy to canter on and hop logs, but not flat out! We had lovely rides through the woods thanks to our leaders, Sarah, Ann and Juliette, and happy riders returned for a delicious supper provided by the Highland group.

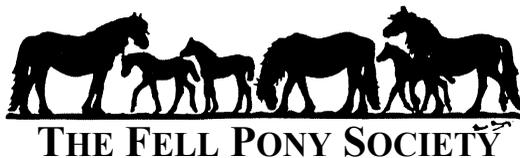

Saturday morning saw everyone assembled in the barn (camp headquarters/ dining room / recreation room) for the briefing and to be divided into five groups of similar standard. Instruction covers flat work, show jumping and cross country, with each group managing to fit in a bit of everything over the day. Jan and her fellow instructors are very encouraging and helpful so that most people

find themselves doing more than they thought they were capable of. A look at the main field would show a group working at the dressage arena, another doing pole and grid work and a third at the show jumps. The fourth group would be in the manege and the fifth down on the cross country course. After the morning's work the ponies had a well earned rest in stables or paddocks while the riders tucked into a great lunch of freshly made sandwiches provided by a friend of Jan's. Also over lunch we had an informative talk from Eddie Scott of Virbac Animal Health on current trends in worming. The second lesson followed and in the early evening those of us staying were lucky to be able to listen to Vyv Wood Gee's memoirs of her epic trek along the route of the old drove roads from Skye to Smithfield. Supper this evening was provided by the North East Fell Pony group, namely by Eileen Walker and Ruby Williams who laid on a great spread. Afterwards we had a ceilidh, which is definitely the best way to spend a chilly evening in a barn and no one was allowed to sit around. I'm not sure if the dancing loosened stiff muscles or just finished them off.

Sunday morning we had the third lesson and prepared for the Fun Camp Competition in the afternoon, which is in the format of a one day event. Everyone competed within their own group at the level they were comfortable with so that some were doing the highest choice of jumps and others delighted to clear the smallest. The more capable groups completed a Preliminary dressage test while the others just did the walk and trot part. Before the camp Chris had sent an order form for clothing with the camp logo and ponies names - we were delighted to find that nearly everyone had ordered a polo shirt or hoodie with their pony's name on the back so we all wore them for the competition. Finally there was a prize giving with everyone receiving a rosette for their place in their group as well as a lovely commemorative rosette stamped with their pony's name.

It had been a great weekend in a very happy atmosphere and we had all learned a lot, even the weather had been kind to us. I know everyone was very appreciative of the work put into the weekend by Jan and Chris Grant and the Charltons, as well as the instructors, people who prepared meals and all the others who helped out to make the weekend such a success.

## News from Overseas: Hessen Day 2011

Every year a different town in Hessen, a state in the centre of Germany, organises a festival or country fair which lasts for 10 days. You can find everything there. For example, this year in Oberursel there was an agricultural trade fair, exhibitions by universities, concerts by Brian Adams and Linkin Park, guests from all over the world and all local clubs, associations, schools, kindergartens, local government, armed forces, trade and industry were represented. Hessen Day in Oberursel attracted a total of 1.37 million visitors.

Fell Ponies were promoted at the section called "Nature Trail" with a herd of 15 ponies and 2 foals. In collaboration with the Hessen Pony Breeders' Association and Andreas Ruppel, whose ponies are well-known in Oberursel, we did our best to inform everyone in Hessen about the breed for 10 days solid. The Fell Pony has now definitely got some more fans. Never before have so many Fell Ponies been presented as a herd to the German public.

The highlight for the kids was the baptism of the 2 foals. All children were invited to hand-in suggestions for their names.

At the end of the week we had over 600 sheets of paper in the barrel bearing names, and on the Day of the Horse 2 little girls became proud god-mothers of Hochtaunus Ronja and H. Rocky.

Germany is still a developing country when it comes to knowledge about Fell Ponies. The two most frequently asked questions were:

"Why are they called Fell Ponies - do they have a different kind of coat?"

(The word "Fell" in German means coat or fur of an animal!)

"Wow, they look like Friesians. Are they related?"

Don't worry. We soon put people right on that score!

There are about 60 Fell Ponies now in Hessen. You can find out more information at [www.Fellpony-Hessen.de](http://www.Fellpony-Hessen.de).

## Overseas Branch News: Denmark

In Denmark, our last show chance at the end of a wet summer was the Danish Mountain and Moorland summer show. It was on the 20th of August, luckily one of the few dryer summer days this year, and it was well attended by nearly all British breeds.

The show was judged by Mrs. Beverly Halls of The National Pony Society. The Mountain and Moorland co-operation is very important for us in Denmark, since these mixed shows are, besides our own annual Danish Fell Pony Show, the only chance of getting Fell Ponies judged by people with knowledge of the British breeds.

Best Fell was Ellegards Dixie FP4677, Sire Waverhead Flash, Dam Townend Crunchie, owned by Mrs. Conny Black Olesen.

Now the fall is here, and we are looking forward to attending the biggest national equestrian event, the first weekend of September.

Then, in October, we have our 3rd annual Danish Fell Pony Show, open to all FPS registered Fell Ponies from Scandinavia and Germany. This year Mrs. Penny Randell has accepted our invitation to come and judge our show.

Best wishes for a dry fall, from Dansk Fell Pony Forening.

## Scottish Area Support Group

We started the year well with our lunch and meeting in April in the central belt to form a new committee and a great talk by Vyv Wood-Gee about her journey following the old drove roads from Skye to Smithfield in London on her two Fell Ponies. In May the Northern area rep organised a pleasure ride in the Teindland Forest Trails near Elgin, Moray. In July the Northern area were out and about again this time at a Social Get-together, hosted by Northern area rep. Jacqueline Cheetham in Fraserburgh, Aberdeenshire.

### Scottish Area Future Events

Unfortunately the Northern area Stud visit to Sarah Norris's has been cancelled due to Strangles in the Inverness area.

1st October 2011 - Stud Visit to Thornbeck Fell Ponies at Heathlands Farm, Harker Road Ends, Carlisle, CA6 4HN. It is a 10.30am start. Tea, Coffee and light snacks will be available. Please email Mike on [cclairree@hotmail.co.uk](mailto:cclairree@hotmail.co.uk) or telephone 07742162026 in advance if you would like to come (no calls after 9pm please).

6th November 2011 - Autumn Get-together. We are organising four speakers all with different backgrounds in Fell ponies - Venue, Buccleuch Arms at Moffat ([www.buccleucharmshotel.com](http://www.buccleucharmshotel.com)). As before there will be Lunch available at 12.00 and the event will start at 1.30 pm.

Please email Diane on [diane.meikle@btinternet.com](mailto:diane.meikle@btinternet.com) or telephone 01847 851448 for tickets.

## North West Area Support Group

Dear all NW FPS Members, we have been very lucky this year in that both of this year's events have enjoyed super weather. We set up a new show this year on the 10th April which we called a "Warm Up Show" and this was done primarily to earn money to make up for "Cumbria Fell and Dales" 2010 Loss. We managed to make £300 so that was a good job done. I have attached some pictures and the results. We had a fantastic day. The show was a very relaxed and easy affair,

so for this reason, we will do it again in 2012. It will be held again at Inglewood Equestrian Centre in Penrith. Should anyone like to sponsor some Championship Sashes, please can they get in touch with me as that would just be great for 2012. Please see the results for further details, but we plan to hold a full schedule of In Hand and Ridden classes with plenty of opportunities for ponies broken over the winter and novices.

*Lineup in the HOYS qualifier*

*The Young Rider Class at the Warm-Up Show was won by Greenholme Warbler, ridden by Alex Robinson, Killington Lake, with Lunesdale Aurora second, Anna Metcalfe, Killington Lake*

Cumbria Fell and Dales Show was held on 4th June this year and for the first time we held the Fell Pony HOYS qualifier. Judges Ruth Eastwood and Helen Jones awarded the HOYS ticket to Julie Robinson on Lunesdale Aurora so we look forward to seeing them at HOYS!

Julie went on to win the ridden Fell championship and the overall supreme Fell champion title, edging out her daughter, Alex, who had a good day with Greenholme

Yabadabadoo and clinched the working hunter tricolour and RHR Demolition junior ridden, and taking second spot in the Peasedown intermediate qualifier. Alex then went on to stand Reserve to her mother in the Fell Pony Section and then Reserve to her mother again the Supreme Fell Pony Championship.

The Fell Pony In Hand section was judged by Penny Randell, of the Townend Stud, who awarded the

championship to Ian Smith, Perthshire, with Bracklinn Drambuie, and reserve spot to Alastair Smith with Mayden Pauline's Surprise. Drambuie was Youngstock Champion at the Fell Pony Stallion Show in May and Mayden Pauline's surprise was Youngstock Champion at the Fell Pony Breed Show last year.

We didn't alter our classes this year, everything seemed to run fine and Hilary and I managed to get lunch this year so that was brill! The only alterations we will make for 2012 are that we won't run the dressage, and unless our Working Hunter class entries increase, the Working Hunter section is under threat which is a shame as we have all classes ranging from Cross Poles up to NPS Qualifiers.

In Hand and Ridden Fell Pony Classes are great in numbers and quality and long may it continue!!

2012 Cumbria Fell and Dales Schedules will be on the Fell Pony Society web site and will be available in paper form at the FPS Office and at the Stallion Show.

As I write I am selling tickets for our annual Bus Trip to HOYS on Wed 5th Oct primarily to see the Ridden M&M Final but this is also a super social and shopping opportunity for everyone! Tickets are £70 and that includes the bus as well as your ticket for the day and evening performances. Do contact me should you need more info or some tickets.

## North East Area Support Group

I am delighted to report that the North East Area Group continues to flourish. The newsletter, which went out in January 2011, was very popular but there would be a huge saving both in printing and postage costs if our annual newsletter could be emailed to most of you. My earlier request for email addresses was not very successful so I am asking you all once again. In order to receive the North East Group annual newsletter, please email me at [eileen@rackwoodfellponies.co.uk](mailto:eileen@rackwoodfellponies.co.uk) so your details can be added to my FPS list of contacts. Anyone requiring a paper copy should send me a SAE at the beginning of January 2012.

Once again we held a joint Highland and Fell Pony Camp weekend at Linnel Wood, near Hexham courtesy of Bob and Sarah Charlton. I believe all places were booked within 24 hours of the application form being made available. A very popular event (see separate report) so something similar is being organised for May 2012. During July we held two North East Area Qualifiers to select ponies to represent the North East Area at the Southern Breed Show on 11th September and compete for the Bewcastle Boy Blue Trophy. Our first qualifier was held at Lanchester Show where Rackwood Princess, owned and exhibited by Eileen Walker, was selected. Our second qualifier was held at the Hexham Native Horse & Pony Show where Wansfell Tobias, owned and exhibited by Heather Mawrey, was selected. I'm very pleased that our qualifiers were held before show cancellations started to happen because of the wet weather.

Our next event will be the Performance Trials to be held at Linnel Wood on Sunday 25th September. Please contact Sarah Charlton Tel: 01434673262 for more information or download the Schedule displayed on the Events Page of the FPS Website. Our annual pleasure ride will take place on Sunday 2nd October at Hamsterley Forest. An application form will be available on the North East Support Group Section of the FPS Website by the beginning of September.

Finally, I would like to thank everyone who has attended and/or helped at one or more of our events during 2011. Our programme of events keeps expanding so in addition to the six events we held during 2011 we are organising a Showing Clinic/Training Day which will be held towards the end of March 2012. To be sure of getting your newsletter, identifying all the events, dates and venues, send me your email details NOW!

## South West Area Support Group

### Bewcastle Stud Open Day Sunday 26th June.

We arrived at Fifehead Neville village hall to be greeted with tea/coffee or cold drinks. A good chance to catch up with friends and to meet new people. We were then treated to a wonderful lunch provided by Mrs Goddard and her team of helpers. Afterwards we had a raffle and Michael filled us in about the rest of the day. It was then into our cars for a trip around the countryside with various stops to visit the ponies which make up the Bewcastle stud.

At our first stop (right) we met Townend Eden II (2yr) and Bewcastle Beth (yearling). Next was Bewcastle Blossom (7yr). A stroll to the bottom of the field to see 3 mares & foals. Drybarrows Enya (12yr) with her foal Bewcastle Duchess. Next we saw Bewcastle Hermione (5yr) and her very friendly foal. In the same field were Townend Bryony (25yr) and her foal Bewcastle Bryony born 07/05/11.

Back to our cars and a case of follow my leader to our next stop to meet Balmoral Royalty (2yr colt) who is on loan to Michael from HM The Queen. With him was a lovely bay mare, Bracken, owned by Lesley Rigby. I think the 2 ponies must have wondered what was going on when after parking at the top of the field a mass of people walked down towards them.

Our last stop was to meet (left) Bewcastle Bulbarrow (9yr) & Bewcastle Bramble (2yr colt) who are owned by Catherine Fuller. She very kindly brought them along for us to meet.

We returned to the village hall for tea & cakes, a lovely way to end the day.

## Midlands West Area Support Group

The 2011 season has so far provided the Group with a good programme of events with more to follow.

Our first event was held on March 18th at the William Shrewsbury County Primary School, Burton-On-Trent where a packed audience enjoyed another entertaining and enthralling talk given by Vyv Wood-Gee. This time Vyv, described her intrepid journey with her Fell ponies, retracing the old cattle droving trails from the Isle of Skye to the London Smithfield. Once again the group were spellbound with Vyv's various recollections of her travels. Joan and Keith Dorman provided the catering which resulted, as always, with us all being very well fed. Barry Stamp and Diane Key organised a Chinese auction which was very well supported.

In May our annual pleasure ride over Cannock Chase took place kindly organised again by Sandra Newcombe. Despite a smaller number of Fells taking part this year everybody had an enjoyable ride. It was especially encouraging to see some of our younger members taking part. Thank you to Sandra for organising another successful ride and to her daughter Nikki for leading the ride.

June saw another successful Derbyshire Fell, Dales and Highland pony show at Bakewell Showground. Classes were well supported despite no Fell stallion forward in the in-hand section. Well done to the Kelly and Bennett Families for qualifying their respective ponies to attend the Southern Breed Show as Midlands West representatives in the Bewcastle Boy Blue Inter Group In Hand Championship. We wish them luck. A big thank you to Sue Millard for judging the Fell pony section,

On Sunday July 17th the group attended a driving demonstration at the Scropton Riding & Driving Centre, Watery Lane, Scropton. We began the event with an interesting but at times challenging talk given by Stuart, the centre manager who then introduced us to Duke who

*Stuart and Duke at the driving event being watched by group members. The volunteer groom was group member Keith Dorman.*

who obligingly took part in a driving demonstration. Jessica Kelly took part in a long reining session with her pony Pikestone Linnet under Stuart's guidance. Many thanks to Jessica and Mum Kate for bringing their Fells over to the event despite the inclement weather conditions and Sarah Clements who organized the event.

Unfortunately the annual Seighford Yews Farm Leg It (trotting races and gymkhana) had to be cancelled due to several unforeseen circumstances.

**Future Events 2011:** Sunday October 30th will see the group enjoying our annual luncheon at the Derbyshire home of Hugh and Elizabeth Marshall. The guest speaker this year will be Eileen Walker (Rackwood Fell Ponies). There will also be the usual events including the pudding competition, Fell photo show and raffle. Fell Pony Society merchandise will also be available for sale. The results of the group caption competition and this year's performance awards will also be announced and rosettes presented. If you would like to attend this highly popular event please telephone Elizabeth Marshall on 01283 585358 one week before as places are limited.

Finally on Sunday 20th November, the group will be holding held their AGM/ Open meeting at Joan and Keith Dorman's home in Ashbourne. The meeting will be open to all members of the group and if you would like to attend or require more information please give either Diane Key 01785 822723 (diane@fellpony.me.uk) or Joan Dorman a ring on 01335 350301. The meeting will start promptly at 11.00 am. Tea and coffee will be available on arrival from 10.30 am.

A full report of all these events will be featured in our next group newsletter and if you have any sales or wants to be advertised FREE OF CHARGE or any interesting Fell pony news please contact Diane Key.

**Midlands West Performance/Activity Awards 2011:** Please do not forget to enter this year's awards. Form should be forwarded to Alyson Hurcombe as per address on the form by 1st October please (although Alyson is always very generous about slightly extending this date) Please note that the beautiful Fell Pony trophy kindly presented in memory of Eileen Davies will be awarded to the overall winner. This will be on an annual basis. So please get your forms filled in. Entry is free and every entrant will receive a lovely commemorative rosette.

**Membership:** If you would like to join the Midlands West Fell Pony Support Group please contact Membership Secretary Mrs Lisa Williams telephone number 01270 747117 or send a £4 cheque made payable to the Midlands West Fell Pony Society Support Group to 37 Linley Grove, Alsager, Stoke on Trent, ST7 2PR with name and address and if applicable email address details. Thank you for your support - new members with or without ponies are always very welcome.

## Midlands East Area Support Group

We wish to thank our Patron HM The Queen and her estate agent Mr O'lane for the use of the usual spectacular venue. The show is now in its 7th year and has developed into classes for Fells, Dales, and friends. It was a lovely day and the forecast showers missed us out. Thanks to work by the estate staff the ground had been sub soiled and rolled so it had a bit of spring to it unlike the ground elsewhere.

The classes were a good size, (but of course we can always do with more entries!) and the judges very helpful especially to those with young ponies, in some cases their first show. As well as the showing classes, there was a dressage ring, WHP, long reining and handy pony classes.

We thank Judith Williamson for coming the distance and being our very able judge for the Fell classes, especially as the date unavoidably clashed with the Stallion Show at Dalemain. Our in hand Champion qualified to go forward to the Inter Area Championship at The FPS Southern Show at Oxford. Congratulations Claire and 'Tighewood Model' and best of luck in September.

Our Show Supreme Champion came from the ridden classes, Olivia Toop's 'Mardledale Leo' with 'Model' close on his heels.

The Estate Sponsored Ride on the Sunday was well attended. It caters for riders and carriage drivers and is an opportunity to visit more of the estate's heath and forestry areas not usually open to the public. As with our show the profits go in part to Sandringham and West Newton Churches. Should anyone wish to stay on the field overnight to participate in both show and ride, this can be arranged. Lisa Dunger can advise or discuss any concerns:

We are now planning the 2012 show, do keep it in mind, we'd love to see you and the area is lovely for an 'Away Weekend' - one of our previous judges even used the visit as part of his honeymoon!!

## South East Area Support Group

We are planning to arrange a dressage clinic with Yvonne Nailor at her yard in Medstead, Hants probably October time after most of the shows have finished. Yvonne is happy to teach all levels and is a very sympathetic trainer who understands native ponies. Sessions can be private or we can pair up ponies/riders who are at similar levels.

Also, we are finding it difficult to arrange anything for our area as response has been low to our questionnaire. We understand the group covers a large area and wondered if anyone would be interested in trying to arrange something in the eastern side of our area?

If you need any more information on dressage clinic, have any suggestions or are interested in helping please contact us.

## People and Ponies: Brooksan Kitchener

*Horse of the Year Show 2010*

We have had native ponies for many years and been reasonably successful in our chosen sphere of competition i.e. M& M WHP with Highlands, Connemaras, New Forests and also Welsh Cs and Ds. We feel all ponies should do more than just “flat ridden” showing and that they should also perform.

When we saw an advert for a Fell pony for sale at a riding school quite close by in the autumn of 2009, we went to take a look at the then 4 year old “Kitch”. (Brooksan Kitchener, by Lownthwaite Jimbo ex Northlodge Foxglove). He was fairly wild, but daughter Sophie has always liked a challenge so we decided to purchase him. When I saw his papers I realised that I had previously seen him about a year before in the local mart but we had no transport with us at the

time and it might have proved difficult to persuade my better half Mike to drive home and drive back with the lorry!

We duly loaded him up, a lot of clattering and banging ensued and as I got onto the motorway Kitch's two front feet went straight through the lorry window. Mike waved a stick at him and he put his feet down temporarily, but he then spent the journey home standing on his hind legs. Mike spent an uncomfortable journey home in the back attempting to prevent him from "waving" through the windowless window and trying to escape Colditz-like through the small gap. We thought, amongst other things, that if he got home unscathed he might perform, but also that a pair of hobbles might come in handy! (We managed to source a pair on the internet and they did help!)

He has such enthusiasm, always volunteering for everything and loves jumping. He was broken and schooled and then started to jump in 2010 and became a star!

He qualified for HOYS M&M WHP at the last qualifier in early September 2010 (we only entered as it was local) and we wondered whether he would cope with the occasion, but he was a star at NEC, locked onto the first jump which was quite a big true parallel and then jumped a great round and finished 3rd. We were over the moon.

He is full of personality and cheek and will push the limits if he can. After a winter off with us, supposedly relaxing, but actually spent doing "stuff" i.e., investigating fences and hedges, wrecking his rug and those of all the others in the field, thundering around playing with anybody who was remotely interested, and hooking his front feet round the plastic electric fence posts in order to flatten the tape, he was very keen to get back to work - and we were very keen for Sophie to take him back to her well fenced livery yard in Berkshire. He qualified for RIHS at this first show after the winter and has also qualified HOYS again. He is also so much fun and makes us laugh and can brighten up even the wettest shows! We feel very privileged to own him and to have such a superstar.

## People and Ponies: Linnel Punch

I purchased my gelding Linnel Punch in September 2010, when I finally forced myself to admit that my 25 year old mare Cassie was not going to be rideable again (long story) and I wanted something to ride with my partner Steve Sparrow, who shows Punch, and his 17hh Friesian Zorro.

I looked at lots but nothing felt perfect as it had instantly with Cassie and Zorro. I have to be sure because all my animals are forever homes, whatever happens. Then I met Punch and I knew he was the one.

He was 6 years old and had only been broken to drive. He had been owned by a lovely elderly gentlemen who had owned him since he was young and had very reluctantly had to let him go due to the declining health of his wife. We still keep in touch on a regular basis. Punch took to being ridden like a dream and is an amazing ride, forward going and very responsive.

His breeding is of the Linnel stud owned by Bob and Sarah Charlton, who have been helpful and supportive whenever I have needed them. Punch

comes from the famous Polly Perkins line.

Currently we have taken Punch to 10 shows and he has won 14 championships, including Supreme Champion at the LegUp Wetherby, Supreme Champion at the Wortley Elite Championships and (right) the Ultimate Champion at the Ultimate Showcase of Champions at the Great Yorkshire Show ground.

My aims are not really clear. It's all a bit of a whirlwind. I have not shown a horse before the 30th of May this year for nearly 40 years.

I will show him whilst ever he is enjoying it, because he is a real show off. I am currently considering showing him under saddle as well as in hand but basically he will always be allowed to run out all weathers naturally as a Fell pony should. I want him to be happy as he will be with me for life.

## People and Ponies: Castlerigg Prince II

My childhood holidays were spent in Keswick, where I first met the Harrison family who bred registered Fell ponies under the prefix “Castlerigg.” My “job” was to help catch and halter the mares and foals and to teach them to trot ‘in-hand’ up and down the lane. Aged eight and not very tall, my little legs learnt to go quite fast with John Willie Harrison behind me with a shepherds crook and a loud “Geeedd-ooop” encouraging foals to follow the mares. Over the years my sister and I competed in many Fell pony classes with the various progeny, both ‘in-hand’ and ridden. Ronnie and Gordon Harrison continued to breed a couple of foals a year and Prince came into the world in 1981. We met when he was 1 week old - a brown fluffy big eared bundle of fun - and I fell in love.

Meanwhile my mum and I had bought some old farm buildings at Wrea Green near Preston to renovate and create a riding school. Prince came to live with us in the bad winter of 1981/1982. I showed him in hand in all the youngstock classes - always in the top ribbons, but due to his boisterous and strong personality had him gelded at 3! Keeping a stallion is sometimes not a good idea on a busy riding-school!

30 years later, both of us are still going strong - still have our own teeth and have not yet gone grey, but moving a little slower these days. It was decided to have a joint party for Prince and the Centre so Prince, wearing a flower garland around his neck, greeted his 150 guests in the indoor school - complete with bouncy castle, bacon butties, face-painting, games, competitions and pride of

place, a sponge cake 4ft long decorated as a carrot. The highlight of the day was Prince picking his favourite “Fairy Princess” from 20 little girls all dressed up. The winner, aged 2, wore a tiara and wings, a Snow-White lookalike dress and carrying a large wand, whilst the crowd sang “Happy Birthday” and he was showered with confetti.

He is still doing lessons, and has taught many riders many skills. Over the years I think everyone has worked with Prince in some way, his talents including side-saddle, teaching young instructors to lunge, vaulting, collecting for charities (dressed as a reindeer with antlers and red nose) and in his more serious life he excelled with our Riding for Disabled Riders and working on a daily basis. Prince could probably instruct the lessons without me - he knows every sound, word, action and is there for me at all times whether happy or sad and has always been a truly reliable friend. He is an outstanding example of the Fell Pony breed

proving to all horse owners that with a good diet, regular exercise and a lot of love and fun, these ponies will live to a ripe old age. In all the years, he's only been lame twice. He lives out or in and is now looking after the next generation of Fell pony - Severnvale Fonzi, aged 6.

Our 30 years together have been celebrated in the press, nationally on the radio, and hopefully soon on the T.V. Mike, my partner, and I are so proud of him. It is a privilege to own him and hopefully here's to a lot more years with him.

Thank you Prince for everything.

### **Heltondale Dusky V**

Through misty eyes I watched her walking up the lane.  
Her head was gently nodding neath a beautiful long black mane.  
Echoes of her horse shoes clip clopping on the road,  
Faltering and wary towards a strange new abode.  
I marvelled at her beauty, this warm and wondrous friend  
And knew the years of waiting for me, had come to an end  
Instinctively she looked at me, then nuzzled into my hands  
In that moment, she was to me the most precious thing on land,  
Together now we walked the lane, tears running down my cheek,  
The mutual feeling we belonged was something quite unique.

## Ponies Past: Dalemain Wake-Robin

One Monday morning at the very end of May I went as normal to feed our two elderly Fells, who shared a 'semi-retirement' paddock. I found Robin dead but still warm, in the position where he customarily waited for his breakfast or his tea. Three days earlier we had been celebrating Robin's thirtieth birthday, pleased with how good he looked in his shiny, black summer coat and marvelling at the fantastic trot he could still produce when hacked out. He hadn't been sick, he hadn't been sorry, he gave us no agonizing decisions to make; it looked as if he'd just lain down and gone to sleep. In death, as in life, Robin hadn't wanted to cause us any trouble.

Though not lacking a sense of humour, Robin had been stalwart, sensible and dependable from the moment we brought him as a nine-year old. We got him so that my then boyfriend (now husband), Nick, wouldn't feel left out when I went adventuring on my Fell (Gamsworth William - still happily with us aged 29). Robin taught Nick to ride, then to drive, then introduced him to dressage and endurance and driving trials. In doing so he created a horse-obsessed monster who then devoted his life to all things equine.

Robin was a fantastic ambassador for the breed. He took many of our friends out for rambles around the Buckingham countryside, and looked after those that couldn't really ride. He also obliged a pair of local couples by being a wedding carriage horse for a day. He was indisputable head of our ever-increasing herd and could instil discipline and order with a single flick of his ear.

We miss him terribly, of course, but can reflect on a long and happy life, well-lived, and on a quiet and dignified end.

*Mandy de Belin*

### **Reminder from the FPS Office: deceased ponies**

We know how hard it is to lose a pony, but by law the owner should return the pony's passport to the Society for cancellation. It can then be returned to you if you wish to keep it.

## Ponies Past: Rackwood Robin

It is with great sadness and a heavy heart that I report the passing of my best friend Robin. Robin was lost to Grass Sickness on Saturday 14th May after only being poorly for a couple of days.

Over the years he has been a loyal servant to us, shown extensively in hand and winning championships all over the country. I could go on and on about his winnings. His pictures adorn our house and we have memories that will never be taken away.

He was a born showman and loved nothing better than taking his place at the

front of the lorry to go to a show and became quite upset if it wasn't his day to go.

His charismatic personality made him popular with all who came into contact with him, both young and old and could be trusted with the tiniest of children.

He was a superb ambassador for the breed outside of Cumbria, showing people within our area, that Fells are clearly a force to be reckoned with. The amount

of times I have had people contact me asking if I knew of another Robin - my answer would always be if there was one, I would be the first to buy it!

They always say that a stallion is measured by his progeny, but in Robin's case he can surely be measured by the amount of people he touched during his lifetime, this was evident with over 200 messages of condolence which we received on his passing, from all over the world. He truly was my horse of a lifetime and he leaves a huge gap in my heart and a huge space at Scropton.

## Ponies Past: Lowmoat Rodney 1983—2011

Lowmoat Rodney (Roddy) s. Greenholme Geoff, d. Stouphill Flash III, died in June at the age of 28. Bought as a 4yr old from Clive Richardson, Roddy was a real character and invariably had the upper hand in our relationship. He did however manage to behave himself sufficiently in the show ring to win in-hand, ridden and driving classes at the Breed Show and collect numerous rosettes at many other shows and events including the Performance Trials, Le Trec, Driving Trials and Western.

After a busy life with me in North Yorkshire he “retired” to my sister’s farm in Cumbria where he supervised calvings, tormented the bull and generally ensured maximum attention (and food) for himself.

Roddy had sired 6 foals before he was gelded and came to me. I was fortunate to have the chance to buy one of them, a filly, Bluecaster Bridie. We put Bridie to Tarnmoor Prince and in 1991 she produced Wintonbeck Bob. At the age of 20 Bob shows no sign of slowing down and has many of his grandsire’s individualistic traits!

*Sara Hartley*

## Ponies Past: Townend Duke III 1981—2011

Townend Duke III sadly passed away in April 2011 at the age of 31.

I first saw Duke in the Wigton Sale and liked him very much. I contacted the Williamson family after the sale to ask if I could see Duke again. Peter Glover took me to see him at the Williamson farm. I rang Frances Bell before going to see if Duke was a quiet stallion and she confirmed he was. I bought Duke on the 17th November 1989. In 1991 he was the Supreme Champion Fell Stallion. He was also the first stallion registered by the Fell Pony Society (Stallion number FP1A). He was previously registered with the National Pony Society.

Duke was a wonderful animal, never any trouble and produced some excellent foals, one of which is winning lots of Championships in Cornwall (Graysons Lucky Robbie), and several more that are still winning locally.

Duke is very much missed.

## Looking Ahead: Fell Pony International Convention 2012

We are planning a week of activities, similar to the 'Jubilee Week' and a 'Week up the Wall' to celebrate our Patron H M the Queen's Diamond Jubilee and the 90th Anniversary of the Fell Pony Society.

All events will be along the Trans Pennine route joining Cumbria to County Durham during a week entitled 'Get Your Fell Pony Kicks on Route 66.' It will include stud visits, pleasure rides, displays, socials and much more.

The week will begin with the FPS Breed Show at Brougham, near Penrith on August 11th and will conclude with the Fell pony classes at Appleby Show on August 18th.

If anyone would like to make suggestions as to the type of activities that would be appreciated then please contact Eileen Walker on 01388763607 or email [rackwoodeileen@yahoo.com](mailto:rackwoodeileen@yahoo.com)

A full programme of events will be published in the spring magazine so book your holiday, arrange to bring your pony, and look forward to a week to remember and talk about well into the long dark nights of winter.

*Eileen Walker (Committee Chairman)*

## FIS Testing 2011

Council have agreed that the Society will continue to fund the FIS test for newly-licensed stallions, and for affected foals, in 2011. Owners must be members of the Society.

The original cost of the test, £40, has been affected by the increase in VAT from 17.5% to 20%. The new cost is £40.85. The Society will absorb the 85p increase for the rest of this year, so the cost of the test to owners remains at £40.

## Amendments to FPS Regulations

The following Regulations have been amended by Council in 2011.

### Regulation 1.1.6

Section (X) - contains ponies that have registered and licensed sires and registered dams but are of a colour other than black, brown, bay or grey and /or have an excess of white markings. Mis-marked ponies in this section may not be shown in In hand, Ridden or WHP classes at Fell Pony Society affiliated shows, but may participate in Fell Pony Society performance events (eg dressage, driving, endurance, performance trials etc.) They may also participate in the relevant sections of the Performance Points schemes but are not eligible for any premiums paid from the HBLB grant. Any foal by an unlicensed but registered sire and registered dam will go into Section (X) but, after proof of parentage by DNA testing, may transfer to the main section, subject to Council approval. Progeny of ponies in Section (X) may be registered in the main section provided they conform to the breed standard and have registered and licensed sires and registered dams. *NB Colts are not eligible for an FPS stallion licence.*

### Regulation 3.1

Colours are black, brown, bay or grey. Other colours must be registered in Section (X). Ponies with white on the front feet and/or a blaze or stripe must be registered in Section (X). If in doubt, breeders should include a photograph of the foal with the application for registration. If it is subsequently found that a breeder has omitted to declare white markings, Council have the right to move that pony from the Main section to Section (X). *This regulation to apply to foals born in 2011 onward and not to be applied retrospectively.*

## In the Media

### Submissions for the Magazine

#### Photographs

The Magazine uses colour photographs for the covers, inside covers, or centre pages. I reduce photographs to black and white for the main pages.

Many new digital cameras can produce images that would print at the size of a daily newspaper, BUT bigger is not always better! Although large images are needed for the Calendar Competition (see next page). The widest image we print is 5.25 inches (13 cm) at 300 pixels per inch, and lots of others don't get the full width of a page, so your digital photograph does not need to be wider than 1600 pixels.

Please DO NOT send your digital image in a word-processed document or PowerPoint slideshow. It ruins the quality and makes a huge file for me to download and then throw away! Just send me a .jpg please—and only send it once. If I need a further copy I will ask for one.

Hard-copy commercial prints, from 5 inches wide up to A4 size, can be posted to me to be scanned. Please enclose an SAE if you want them returned.

Too-close photos with a huge head and tiny feet will not be used. They don't give a true impression of what a Fell (or a person!) should look like!

If you are taking a photo of your pony yourself, step one pace towards the quarters, and stand well back—remember that the camera can zoom

in—then the pony will stay in good shape in the picture.

#### Text

We would like informative articles to be around 1500 words. Pony news pieces should be about 400 words, usually with one good photo. We can be flexible about both, but your submission may have to be cut to fit the Magazine's content into 100 pages or less. Repetition, padded prose with very involved sentences, and multiple exclamation marks, will always be edited out.

Please double-check facts before sending, especially unusual names. I am constantly surprised by people who mis-spell their own pony's name.

There are very specific settings for the Magazine text which keep its "look" consistent, so please don't spend time on special layouts or fonts, because they won't fit and I will just remove them.

In particular, don't use tabs to create columns of show results, because they do not translate into the Magazine's shape and size. Simply list the items in a normal page of text. I will apply column formatting if it's needed. Don't include show entry numbers; they are meaningless in the Magazine. When you send me text or images, please indicate whether they are meant for the Magazine or the web site. It will save time for both you and me.

Our regular Magazine contributors, fortunately, are very good—thank you!

*Sue Millard (contact details on page 3)*

## Fell Pony Society Calendar 2013 and 2014

By the time you read this the judges will be making their selections of photographs for the 2013 calendar. So many thanks to all of you who submitted your photographs for the October 10<sup>th</sup> 2011 deadline. Several people have asked me why we prepare the calendar so much ahead of time and I thought it might be useful to outline the deadlines we have to meet. First of all the calendar for 2013 must be printed and available for sale early in 2012 - generally it makes its first appearance at the Spring AGM. This means that Reeds the printers must have the chosen photographs by the end of 2011 for printing in early 2012 which in turn requires all photographs to be received by October so that they can then be sent out to judges in November to make their final selection for the calendar and nominations of calendar competition winners.

The deadline for receipt of photographs for the 2014 calendar will be Monday October 8<sup>th</sup> 2012 so please make a note of this in your diary. I should say that I am happy to receive photographs at any time of the year but they will not be collated until October. Interestingly I have received relatively few photographs in recent years of ponies in action - either ridden or driven - so let's hope we can address this imbalance next year. Hoping we do not get the opportunity for too many deep snow shots this coming winter!

## FPS on the Web

The Society now has interactive pages on Facebook—an official notices page called TheFell PonySociety (note the 4 words being run together into 2 to make a name that will fit Facebook's requirements!) and a chat and photo page The Fell Pony Society.

Our quiet webmaster over in Oregon has retired from handling the FPS web site—**many thanks** to him for his work in setting up the site 11 years ago, and his constant attention to keeping it up to date. Thanks are also due to Linus Surguy of Magrathea Systems who still donates the host space for the site.

Sue Millard is now looking after the site, so images that you want to suggest for the Photo Gallery should be sent direct to her by e-mail: [sue@fellpony.f9.co.uk](mailto:sue@fellpony.f9.co.uk). Please read the submissions guidelines on the site, [http://www.fellponysociety.org/image\\_submission\\_policy.htm](http://www.fellponysociety.org/image_submission_policy.htm), before sending images. **Details of how to send to the Sales List** are opposite.

## The FPS Sales List

### The Sales List

The Sales list has 5 sections:

Section 1—Foals, Yearlings and Two Year Olds.

Section 2—Three and Four Year Olds

Section 3—Five Years and Over

Section 4—Stud adverts (may not contain listings of individual ponies for sale)

Section 5—Ponies Wanted

### To advertise Ponies

The application form for listing ponies for sale is available on the FPS web site:

<http://www.fellponysociety.org/forms/SalesListApplicationForm.htm>

A payment of £10 per listing/pony is required. Details will be included and remain on the list for a maximum period of three months.

There is a special rate for studs who wish to advertise for a whole year - reducing the cost from £40 (4 x three-month adverts at £10 each) to just £30 for the whole year if the ad is paid for in one go.

Advertisements over 3 months old (12 in the case of special-rate stud ads) will be removed and archived if not renewed.

Please forward the completed form together with a cheque payable to 'The Fell Pony Society' to:

FPS Sales List

FPS Office

Ion House

Great Asby

Appleby

Cumbria

Photos may be included in posted listings in the sales list by emailing JPG/JPEG to the FPS Office.

Please let the Office know when a pony is sold and its listing can be removed.

### On the Web or in print

The Sales List can be accessed on the Fell Pony Society's Web Site ([www.fellponysociety.org/sales\\_list.htm](http://www.fellponysociety.org/sales_list.htm)). The list is updated on a regular basis, so the online version is the most current one; if you don't have access to the Web at home, you could use a computer at the local library.

A printed copy is available on receipt of £3 + SAE but remember, it is only a snapshot of the list at the time it is posted out to you.

Enquiries to FPS Office: Tel 01768 353100, address as above.

e-mail: [fellponysocietysecretary@hotmail.co.uk](mailto:fellponysocietysecretary@hotmail.co.uk)

Barry Stamp, who has handled the Sales List for five years and sent regular updates to our retiring webmaster in Oregon, has now decided to give it up. We wish to thank Barry for all his hard work behind the scenes.
